

# HELP LOCAL CHARITIES

In these uncertain times local charities really need your support.  
There are lots of ways you can help.

## Volunteer

(only if it's safe for you and others)

Call a local charity and see if they need any practical support.

## Donate

If you are working from home consider donating the money you are saving on your commute or takeaway coffee.

## Buy

Can you buy a gift or something you need from a charity's online shop?

## Collections

Have a clear out and bag up donations ready to take to your local charity shops.

## Ebay

Did you know you can sell through ebay in aid of your chosen charity?

## Free donations

Use Easy Fundraising and Smile when you buy anything from Amazon, they donate a % of the sale to your nominated charity.

## Sponsorship

Could you do a sponsored event from home and set up a justgiving page to ask friends and family to support you?

## Events

If your local charity has had to cancel a fundraising event that you were due to attend, consider not asking for a refund.

## Online lottery

Lots of charities have an online lottery - a great way to give them regular support at this time - and you might even win up to £25,000!
