

PLEASE HELP

In these uncertain times we really need your support. There are lots of ways you can help us and other charities:

Volunteer

(only if it's safe for you and others)

Call a local charity and see if they need any practical support.

Donate

If you are working from home consider donating the money you are saving on your commute or takeaway coffee.

Buy

Can you buy a gift or something you need from a charity's online shop?

Collections

Have a clear out and bag up donations ready to take to your local charity shops.

Ebay

Did you know you can sell through ebay in aid of your chosen charity?

Free donations

Use Easy Fundraising and Smile when you buy anything from Amazon, they donate a % of the sale to your nominated charity.

Sponsorship

Could you do a sponsored event from home and set up a justgiving page to ask friends and family to support you?

Events

If your local charity has had to cancel a fundraising event that you were due to attend, consider not asking for a refund.

Online lottery

Lots of charities have an online lottery - a great way to give them regular support at this time - and you might even win up to £25,000!
